

## FEEDCHEM (INDIA). LTD.

Plot No. 28 to 38, "Gokul Industrial-C", Survey No. 234 & 256,  
J K Industrial Zone, Village – Piplana, Rajkot – 360030, (INDIA)  
+91 81400 03456 | info@feedchem.co.in

### Coating Sample Recommendation Data

|                 |  |
|-----------------|--|
| Client Name     |  |
| Type of Foundry |  |

#### CASTING DETAILS

|   |                          |  |
|---|--------------------------|--|
| 1 | Weight of Casting (Kg)   |  |
| 2 | Casting Thickness (mm)   |  |
| 3 | Metal Type               |  |
| 4 | Pouring Temperature (°C) |  |
| 5 | Pouring Time             |  |
| 6 | Pouring Mode             |  |

#### COATING SECTION

|   |                        |                                  |
|---|------------------------|----------------------------------|
| 1 | Application            |                                  |
| 2 | Baume (As It Is)       |                                  |
| 3 | Dilution Ratio         |                                  |
| 4 | Viscosity (Diluted)    |                                  |
| 5 | Baume (Diluted)        |                                  |
| 6 | WFT (Diluted / Micron) |                                  |
| 7 | Mixing Process         | Manual / Mechanical / Electrical |
| 8 | No. of Coating Layers  |                                  |

#### MOULD SECTION

|   |               |                                                                                                      |
|---|---------------|------------------------------------------------------------------------------------------------------|
| 1 | Binder System | Alphaset / ColdBox / Pepset / Furan / Resin Coated Sand (RCS) / Sodium Silicate / CO2 / Other: _____ |
| 2 | Sand AFS      |                                                                                                      |
| 3 | Drying Method | Air Dry / Oven Dry / Torching / Ignition                                                             |

#### CURRENT COATING

|   |                           |  |
|---|---------------------------|--|
| 1 | Current Coating Used      |  |
| 2 | Issues in Current Coating |  |
| 3 | Approx. Consumption       |  |

#### OUR PRODUCT RECOMMENDATION

|   |                          |             |
|---|--------------------------|-------------|
| 1 | Recommended Coating      |             |
| 2 | Sample Quantity & Status |             |
| 3 | Payment                  | Free / Paid |

| SIGNATURES & AUTHORISATION |                         |
